

What are your Nameservers?

Authored by: **ASPHostServer Administrator** [asphostserver@gmail.com]

Saved From: <http://faq.asphosthelpdesk.com/article.php?id=15>

Our nameservers are advised on the activation email we sent you at the activation of your hosting account. Please refer to your activation email closely for information.

The following is just an **example** of our nameserver information:

Primary NS: ns7.asphostserver.net

Secondary NS: ns2.asphostserver.net

If you are unsure about our nameserver details, you can always raise a ticket via our [Help Desk System](#) to our Support Team
