Please refer to your activation email for information about your SMTP/POP detail. If you do not receive the activation email, please contact our Sales Team via our official website.

Your POP and SMTP settings are as followed:

SMTP: mail.yourDomain.com OR [ourServerID.asphostserver.net]
POP: mail.yourDomain.com OR [ourServerID.asphostserver.net]

Please note that you can only use mail.yourDomain.com as the SMTP/POP setup if and only if you have your domain name pointed/transferred to our nameserver.

If you are unsure about the details, please raise a ticket via our Help Desk System to our Support Team
