If, for any reasons, you fail to renew your expired addon on time, we will send you 3 (three) notices to inform you that your addon has expired. You are given an opportunity to renew the addon and if you fail to renew it after the third notice, we will **suspend** your entire **account** directly.

If your account has been suspended and later, you pay for the addon renewal fee, you will be asked to pay a one-time account reactivation fee. To avoid paying these fees, you are highly recommended to renew your addon on time.
