

# How can I change the password of my SharePoint user?

Authored by: **ASPHostServer Administrator** [asphostserver@gmail.com]

Saved From: <http://faq.asphosthelpdesk.com/article.php?id=110>

---

Since you do not have enough privilege to access our server and Active Directory (AD) directory, you need to create a new ticket via our [Help Desk System](#) to notify us the user that you want to change.

Please advise as clearly as possible by providing the correct SharePoint username and the updated password.
